

I Can

By Tom Sexton

I can take a deep breath every day that I live,
And ask the Lord what my life through Him can give.

I can see the worth of my fellow man,
And work together to see God heal our land.

I can share with others out of what I have been blessed,
And help the down-trodden to have God's best.

I can do my part from where I am planted,
To be thankful for the freedom I have been granted.

I can brighten up the world with the light of Truth,
Showing our nation there's hope in our youth.

“I can do all things through Christ which strengtheneth me.”

To keep America the home of the brave,
And the land of the free.
